FILMES

MADEIRA BELONGS TO ALL

This is a film that aims to document the visit of a couple to the island of Madeira. By following their visit, we get to know the friendliness and welcome of a people as well as the wonders that Madeira has to offer, from its nature, its exotic fruits to its unique flora, its handicraft or its gastronomy.

Madeira is a brand that values friendliness, people, nature, free time and open air, romanticism and nostalgia.
